

Request for Religious Immunization Exemption Form

Name: _____

PID/UNI: _____ School: _____

Email: _____ Phone: _____

New York State public health law and University policy requires that all students document immunity to measles, mumps, and rubella. A student may be exempt from vaccination if that student holds genuine and sincere religious beliefs which are contrary to the practice of immunization. Columbia Health is committed to providing a safe, inclusive, and supportive experience for all students and recognizes student observance of their faith as it pertains to the practice of immunization.

For consideration of exemption to the state and University immunization compliance policy, please complete the following:

- **Provide a written and signed statement detailing the religious basis of your objection, explaining why you are requesting this religious exemption, the religious principles that guide your objections to immunization, whether you are opposed to all immunization, and if not, the religious basis that prohibits particular vaccinations. Columbia does not accept letters or signatures from parents or legal guardians for exemption consideration, unless you will be under 18 years of age on the first day of the program.**
- **Obtain and submit a document from your religious organization supporting the basis of your faith/beliefs which are contrary to the practice of immunization or use of vaccines. The document should include a signature from your religious leader, the name, address, and phone number/email of the religious organization.**
- **Read the [MMR Vaccine Information Statement](#).**
- **Submit results of titers (blood tests to determine immunity) for measles, mumps, and rubella for knowledge in the event of an outbreak. Exemption approval cannot be granted without knowledge of current antibody levels.**

Please note, submitting this request does not guarantee approval. Please allow 7-10 business days for your request to be processed. Upon review, you will be notified in writing if the exemption has been granted. At any time the University reserves the right to request additional supporting documentation. If approved, the exemption will remain in effect for the duration of the current academic year. Requests must be renewed annually.

Please complete the following page of this form, attach all supplemental materials and upload all documents to the Columbia Health Patient Portal (secure.health.columbia.edu).
